Dear Peterson Grower

The protection of our environment and in particular of our region's water quality is of great importance to Peterson Farms. We, as a company, are committed to doing everything we can to insure generations to come have a clean water supply. You, our growers, have made clear your commitment to our environment.

Peterson Farms feels it is important to provide you with the most up-to-date information on water quality; information that will serve as a tool in managing your poultry operation. This book was written by the Poultry Water Quality Consortium for our industry. Using the information in this book will show your commitment and willingness to be stewards of our environment!

Please take the time to review the information in this book. Use it as a resource for making the right choices and following the right management practices in your operation. Peterson Farms will continue to provide you with the most up-to-date information available. Thank you for your time and commitment to this important issue.

Sincerely

Dan Henderson
President of Peterson Farms
